Reportacrime.co.za is a crime focused Blog/Website created by me Etienne Pennekan (founder and developer) that was launched December 2009. My daily tasked involved browsing the internet for “**need to know**” crime reports and posting them onto my site. **But** we have all been affected by crime directly or in-directly and with this website even you can make your small crime incident news headlines and make people aware of what is happening in your area.

I am also the owner of www.LetsRide.co.za and www.eRate.co.za that was launched early 2008.
